# Pesdestal Fan Quick Start Guide

Tips for Using & Operating Your Pedestal Fan  
Model: GGSPFS14TB

**MODEL  
GGSPFS14TB**

**SÔLT**

# Pedestal Fan

## Getting Started...

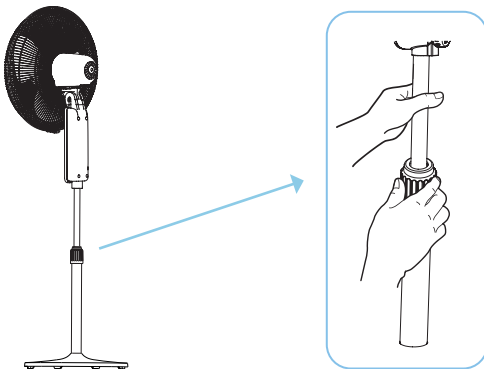

### Control Panel

The wind speed of the fan is controlled using the Control Panel buttons on the front of the fan.

- 3:** High
- 2:** Medium
- 1:** Low
- 0:** Off

### Adjusting the Fan Height

The height of the fan can be adjusted by loosening the Height Adjustment Ring carefully then raising or lowering the fan and firmly re-tightening the Height Adjustment Ring.

### Your Pedestal Fan
